Sun Metro to Introduce More Options to Pay for Bus Fares on July 22, 2024

EL PASO, Texas—Starting July 22, 2024, paying for a ticket to ride Sun Metro will be easier.

All bus services, including Fixed Route, Brio, and LIFT, have been equipped with new technology to make public transit more accessible and convenient.

The new ticket validator equipment will enable riders to use various fare payment options, including mobile wallets, contactless card payments, and the ability to scan QR codes on printed tickets.

“It’s exciting to offer our customers the ability to pay however they want to pay. This new technology allows riders to simply tap their phone, card or scan a QR code on a printed ticket to pay their fare,” said Sun Metro Director Anthony DeKeyzer.

The project to expand payment options is part of Sun Metro’s commitment to enhancing the passenger experience by modernizing its technology.

For more information, Sun Metro customers are encouraged to call the Customer Service Center at (915) 212-3333.
