Sun Metro Hosting Another Series of Meetings on Summer Service Changes

EL PASO, Texas—Sun Metro invites riders and the community to a new series of public meetings to learn about service improvements starting this summer.

The service modifications are a result of Sun Metro Rising, a comprehensive study of Sun Metro's transit system. The planned changes scheduled to start June 14 will increase route frequencies, reduce travel times, and reshape service by streamlining existing routes, introducing new ones, and discontinuing routes with low or no ridership.

Riders are encouraged to attend any of the following pop-up public meetings to learn about route changes. Below are the meeting details:
