Sun Metro to Host Launch Event for Sun Metro Rising and Microtransit

Public Transit System Service Changes Start June 14

- WHO:** Sun Metro
- WHAT:** Launch ceremony for Sun Metro Rising and Microtransit
- WHEN:** 10 a.m. Friday, June 12, 2026
- WHERE:** Upper Eastside Transit Center, 12781 Edgemere

Beginning June 14, Sun Metro will launch two major changes to its transit system – Sun Metro Rising and Microtransit.

Sun Metro Rising is a citywide transit improvement initiative that will introduce redesigned routes, updated schedules, and improved connections across El Paso.

Microtransit is a pilot program and the City's first-ever on-demand, all-electric public transit service serving the Upper East El Paso area.

Microtransit was made possible through \$720,000 in federal funding secured by Congresswoman Veronica Escobar (TX-16) to purchase the electric vehicles and charging infrastructure.
